

Terms & Conditions

All equipment is the property of Glitz Wedding and Party Decor.

It is the responsibility of the hirer to ensure that all booking forms and correspondence is correct.

The minimum of \$100 deposit is required to secure your booking (non refundable). The remaining balance is to be paid in full two (2) weeks prior to the event, along with the submission of final numbers. Without this payment we will not be able to dress your event. By paying the deposit Glitz Wedding and Party Decor accepts your agreement to these terms and conditions.

The hirer must inform Glitz Wedding and Party Decor of final numbers two (2) weeks prior to the event. We cannot always guarantee that large increases can be catered for at short notice.

Every quotation is valid for a period of thirty (30) days, after which time we are more than happy to provide you with a new quotation as long as your requested date is still available.

Cancellation of an event within eight (8) weeks of the booked date will require a payment of 50% of the total cost. If cancellation is made outside of this time (more than 8 weeks prior to the booked date) the hirer will forfeit the original deposit.

Glitz Wedding and Party Decor requires a bond, as a means of insurance for the supplied items. When all items are returned and accounted for without damage, the full amount of the bond will be returned to the hirer.

The Ceremony items are set for one hour only (or as pre-arranged). For example, if your wedding ceremony starts at 2.00 pm we will pack up the decorations by 3.00 pm. Please be advised, any additional time (without prior arrangement) will attract an additional fee, of which Glitz Wedding and Party Decor reserve the right to deduct from your bond.

Glitz Wedding and Party Decor reserves the right to use any photography of the event for promotional purposes unless advised otherwise by the hirer.

All goods hired must be available for collection at the original delivery address.

When we arrive at your venue (if you have hired chair covers) we expect the chairs to be ready to be dressed. We are not responsible for rearranging any furniture. Please insure that you communicate with the venue director to avoid any potential misunderstanding.

Glitz Wedding and Party Decor is not responsible for any injury or damage caused to individuals or property, however sustained, arising from goods on hire.
